## Presidents Report

Hi All,

**Photo by Brett Brady Scotts Peak Dam**

As this newsletter comes to you our thoughts and best wishes are with Mick Corner who is recovering from a recent illness and we are packing for our Winter at Pedder Competition. Last year we had a ball with approx 40 competitors who attended the first annual dinner held for a long time at Lake Pedder Chalet. This year our annual dinner will be held on Saturday night and on Sunday night after everyone has eaten we will hold a members meeting in the club bar. Last year this was a great opportunity for members to put their ideas to the committee and to ask questions about the running of the club. Ideas put forward last year were included in the club strategic plan. The members meeting/forum proved such a success and we would like to hold this every year.

For new members by coming to club only events you will have the opportunity to learn from the Pedder people about how to fish this lake. So put the club competitions on your annual calendar and come along to pick the brains of our long time members to learn the tricks and secrets of this great lake – there is no doubt about it Pedder will fish very well once you know what to use and where to fish at what times of the year. This information and where to go to hide from the harsh weather can only be learned from our long time members who have fished the lake since the 70s and 80s.

Members attended the Eddie Wigston Memorial back in March. While some did a lot better than our parties fishing we still had a great time and shared a few drinks around the camp fire at night. The kids in our camp reported our antics as they occurred back to their mums via mobile phones...., nothing is a secret anymore!

We have arranged for a pontoon to be delivered to the club pond after the winter comp. Then we will be planning for a walkway to join onto the pontoon. Abel and Camp quality have expressed great enthusiasm for events at the Club pond. After the winter competition we will be planning these events. Able have requested two dates and camp quality would like one event and have requested to open it up to bringing their volunteers and to hold it as a camp quality endorsed event. Both organizations have requested dates in November. While this may be taxing on members time, the committee have agreed to give this a go and in 2014 we will spread the club events across the year more.

When at the chalet next you will notice a glass display cabinet in the foyer containing club merchandise and lures. The club purchased the cabinet at the closing down auction for Eastern Shore Fishing and Tackle. Natalie our caretaker treasurer has taken over management of the club merchandise and has been busy negotiating a better buying price for the club, to ensure we are making as much profit as possible on merchandise sales. All the profit made goes back into the club and is spent on club events and making the club better. Recently we purchased two white melamine cupboards for the club office in the chalet this will help to get things off the floor in the office.

Thanks to Dean Groves, Manager of Corinna Timbers for their donation of timber for club trophies. Dean was a keen angler many years ago at Lake Pedder and we are all very grateful for this generous donation.

Friday 28<sup>th</sup> June, is the date of the STLAA annual dinner all LPAC members are invited. It costs \$30 to attend and our very own Martin Exel is guest speaker this year. If you wish to come please email us before the 5<sup>th</sup> June. The STLAA have requested nominations for the annual Bridges Brothers Trophy – awarded to best angling club, Life membership, Certificate of Angling and Heaviest Trout by Senior and Junior to be forwarded by the 5<sup>th</sup> June. If you wish to nominate anyone or our club forms are available from the secretary or our club website on the news page. Nominations are due by 5<sup>th</sup> June which is the date of the next STLAA meeting

Details of the NNLA Season Opening weekend interclub challenge are included in this newsletter. We have seen increasing numbers attend this competition over the past two years. I know I said this last year but I believe we have worked out a strategy to win this (– a different one to last year) and aim to give it our best shot.

The LPAC AGM is planned for 11<sup>th</sup> September at Glenorchy RSL Club, the roles of president and treasurer and committee become vacant this year. There are also some proposed constitution changes which will be sent to members shortly. *Tight Lines....Matthew Mallinson*

## Wanted - Children's toys, games and books

Thank you to all who have donated items. We still need some toys ie: cars, dolls, board games and children's books. We now have a small VHF and DVD video library in the chalet. Toys will be kept in a club toy box in the chalet competition office and will come in handy for parents to keep children occupied.
